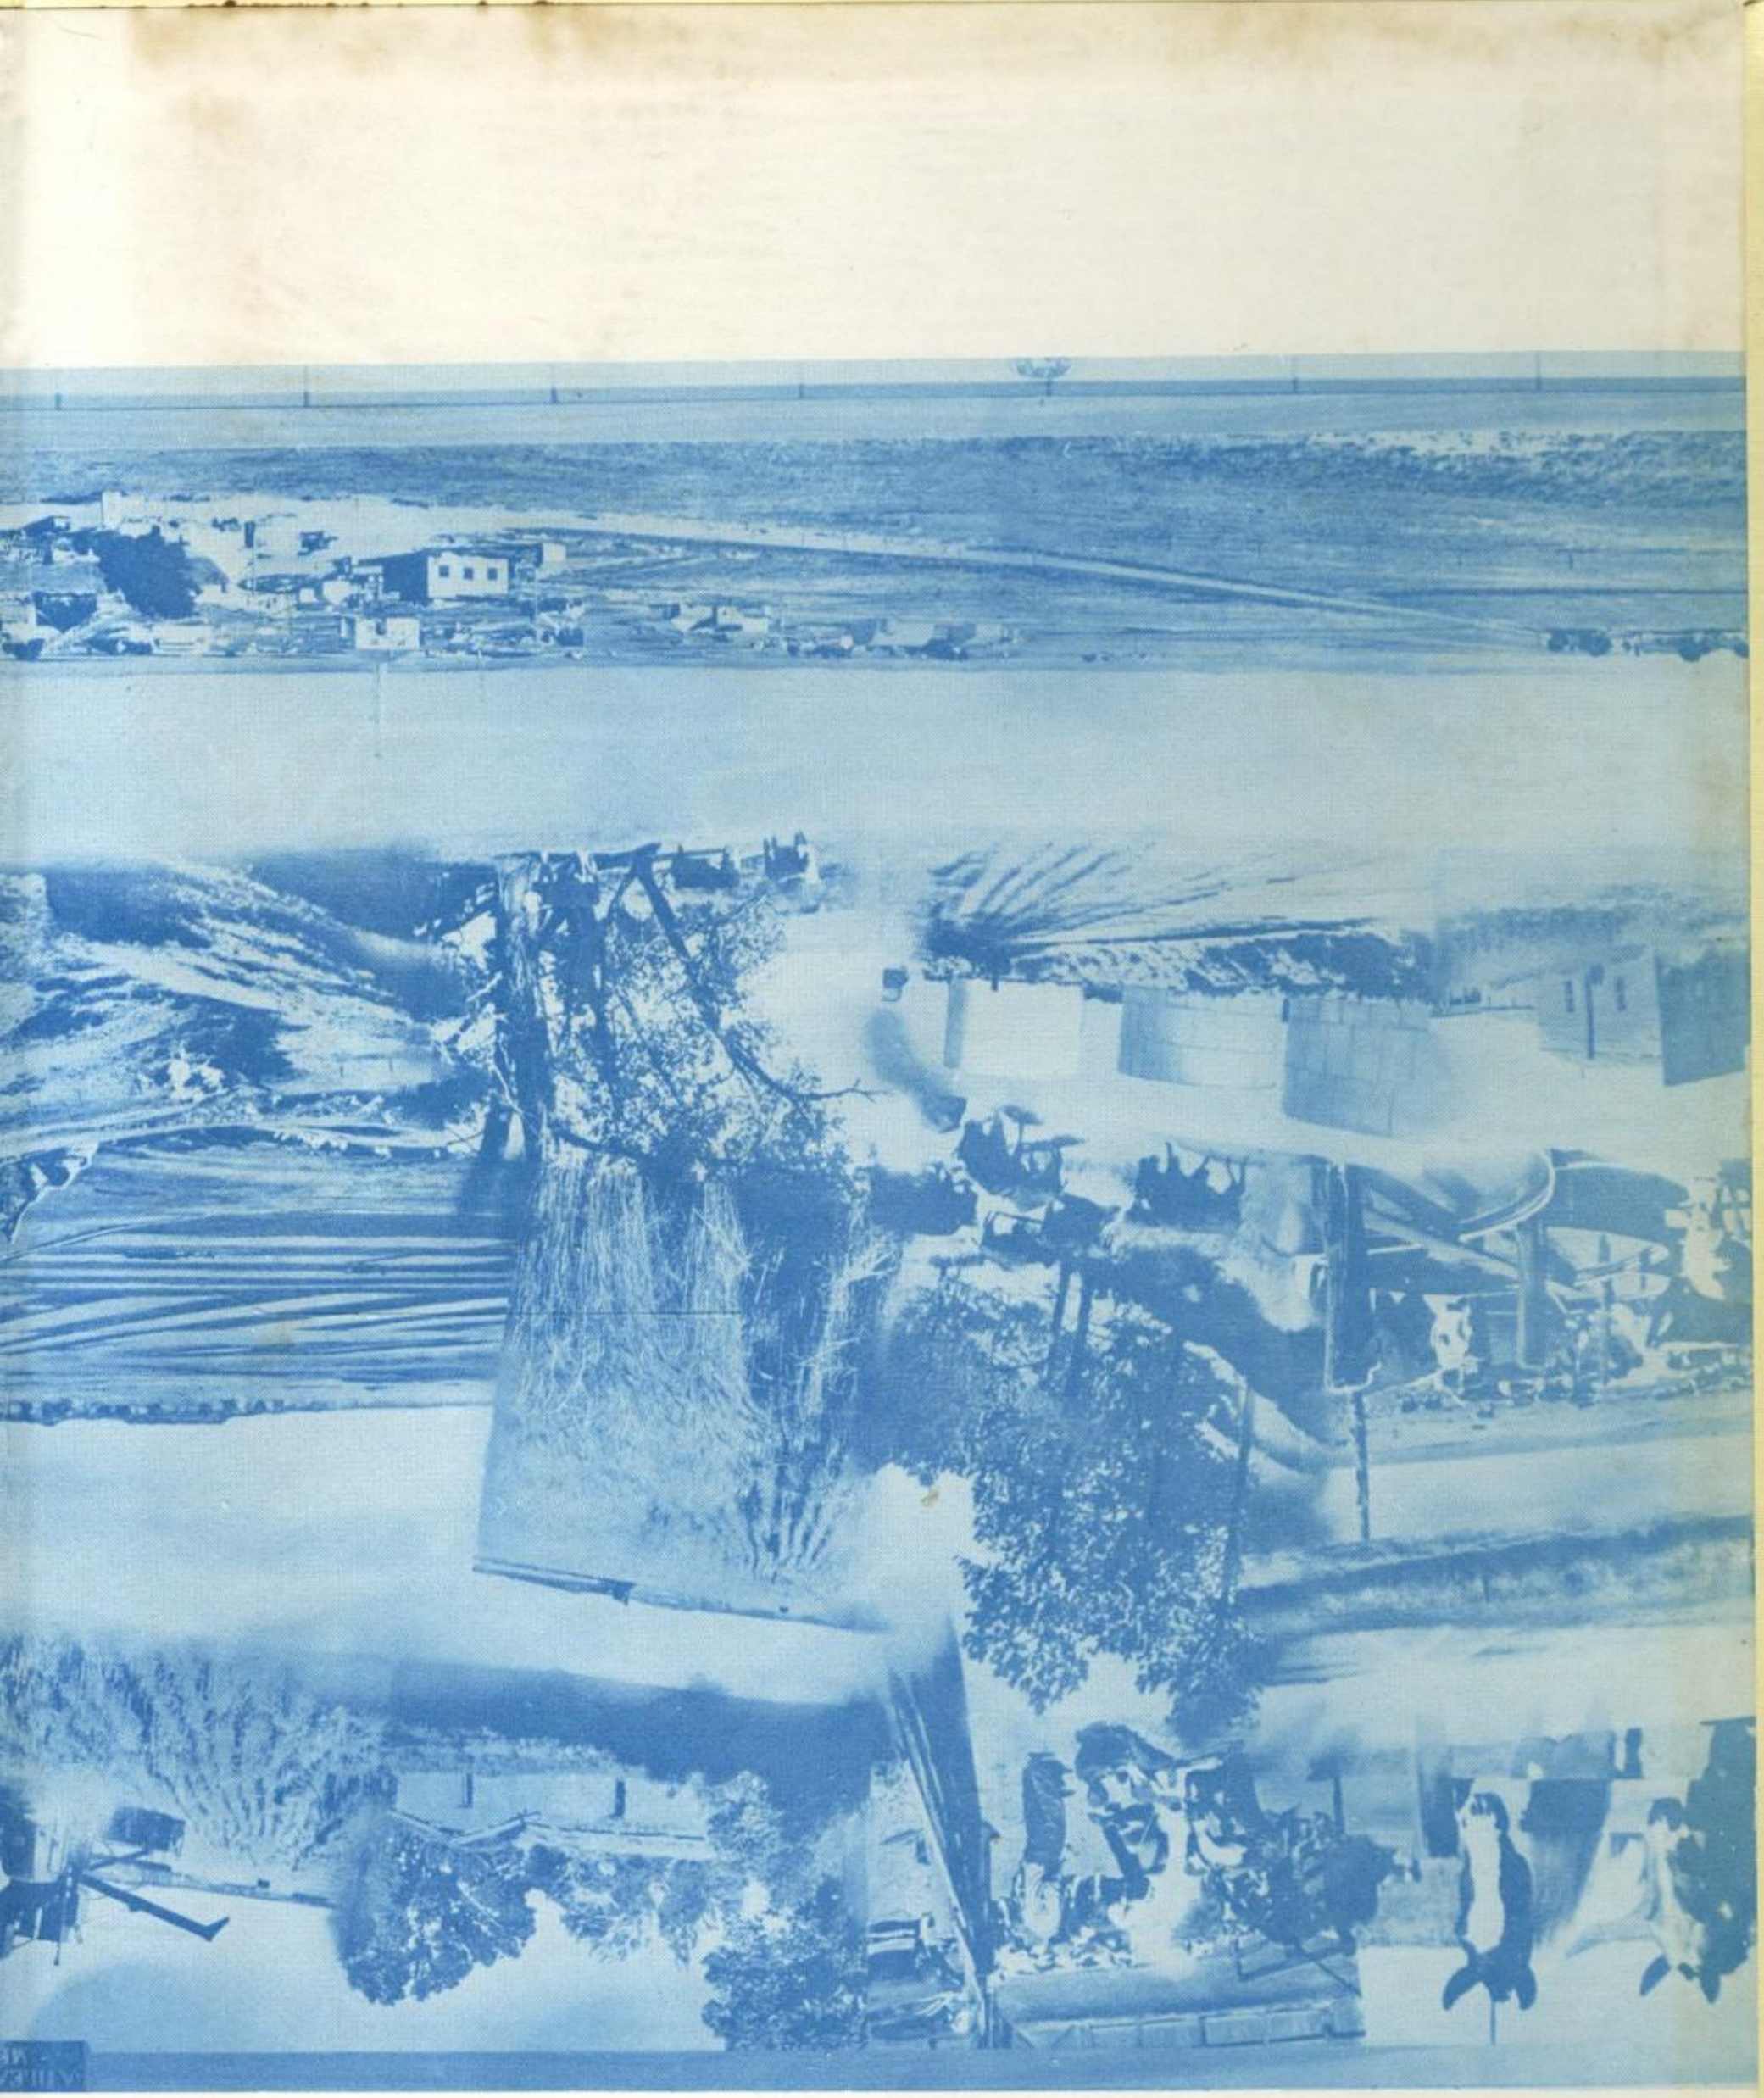
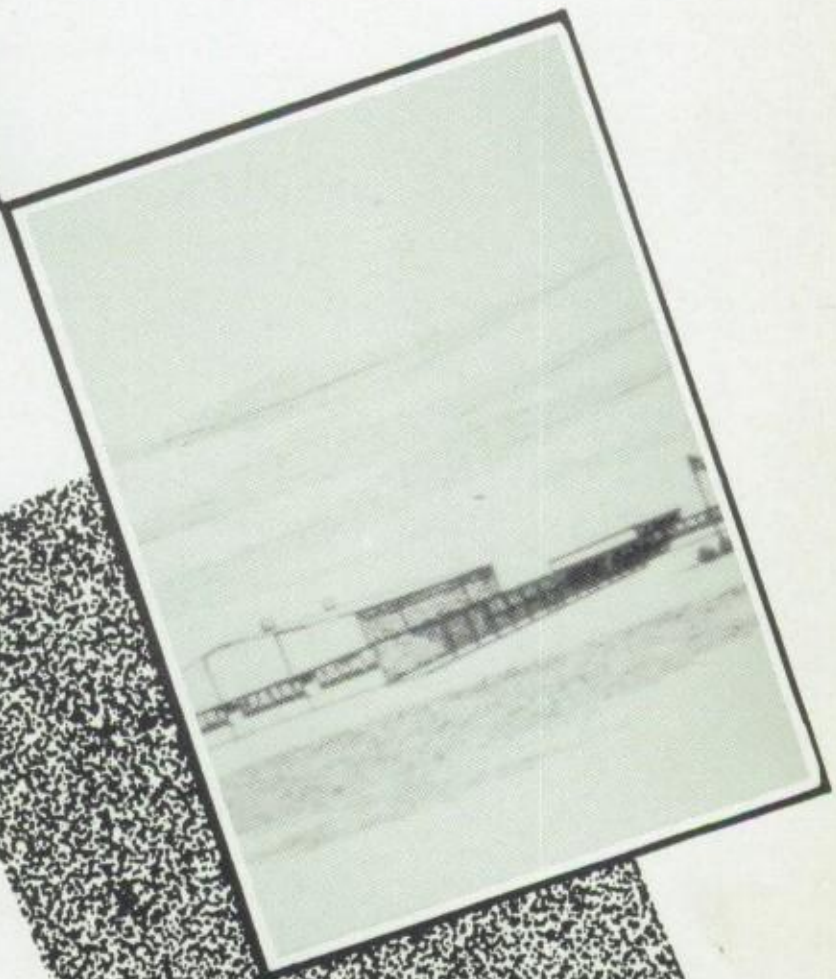
Wildcat



The Wildcat of 1961

Banner County School

Harrisburg, Nebraska



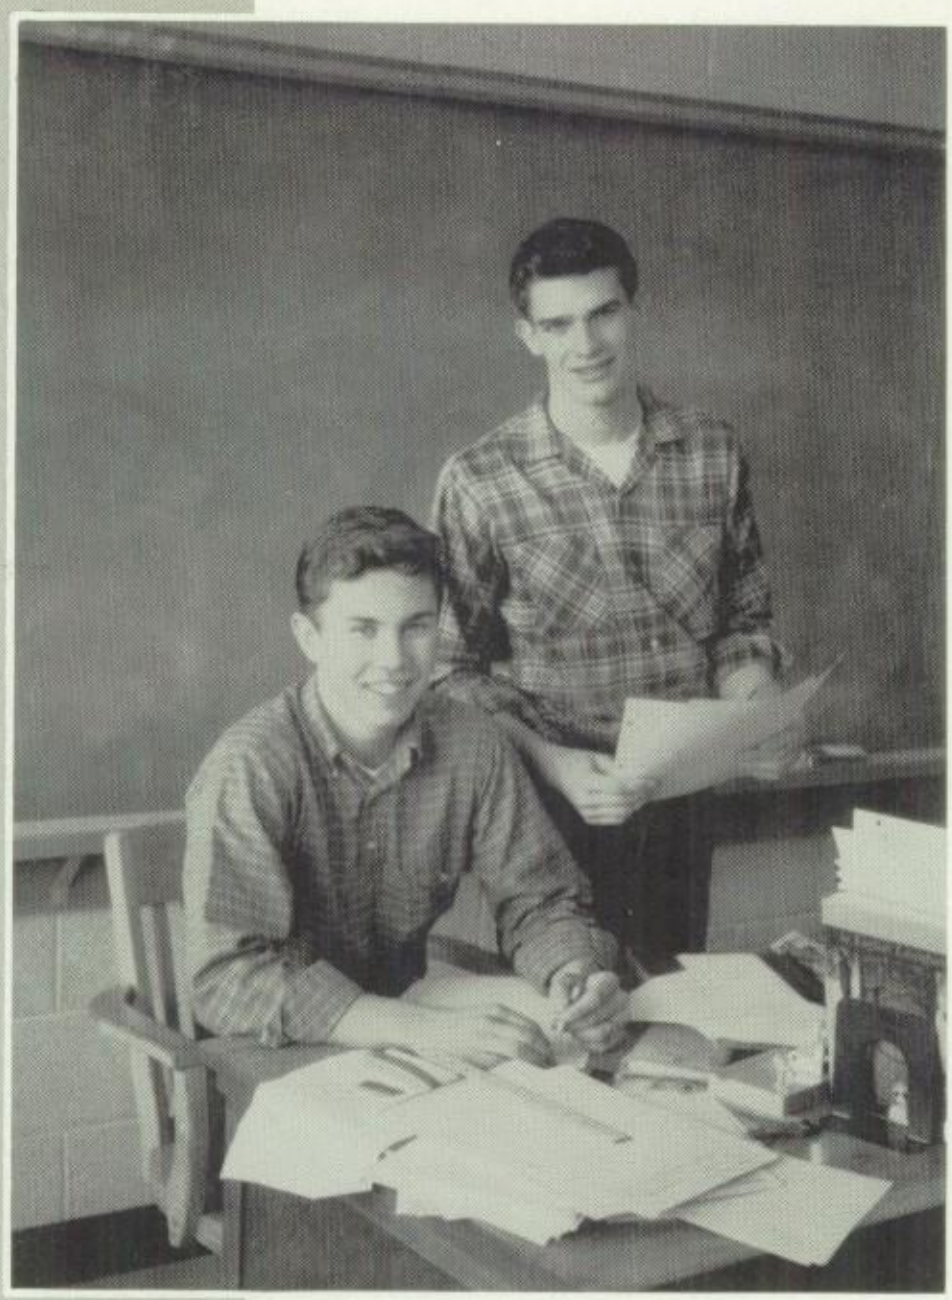
With deepest sincerity, we, the Seniors of Banner County High School Dedicate our 1961 Wildcat to Mr. and Mrs. John Ebsen.

Mrs. Ebsen has served as Cafeteria Manager and Head Cook, and Mr. Ebsen serving as Custodian throughout our four years of high school. We all have appreciated their cheery smiles and hard work although at times we know we didn't make their work any easier.

To you, Mrs. Ebsen, we thank you for the meals you have so attractively served. Your co-operation with the student body and faculty has been greatly appreciated.

To you, Mr. Ebsen we thank you for doing such a wonderful job in keeping our school neat, clean and orderly. We appreciate your cleaning up the messes that we made.

To both of you, we'll miss your smiles and hello's in both the halls and the cafeteria. We know the school and all concerned will continue to benefit from your abilities in the years to come.



Dear Readers,

We of the Wildcat Staff who are about to depart as graduates of 1961 sincerely hope that in future years this issue of the "The Wildcat" will be a cherished memento of happy years at Harrisburg - a reminder of favorite classmates and of the wonderful hours outside the classroom.

For most of us, we have been here for our four years of high school. Now we must leave and step out to face a future that is very uncertain. In whatever degree of success or failure we may find ourselves in years to come, if a glance at these pages will lighten our labors - if only for a single moment - we deem our yearbook worthwhile.

Each of the students here at B.C.H.S. had a part in making this school year one to be remembered. Each event will be remembered; some were happy occasions, and others sad, but they are made a part of our school career - a time never to be forgotten.

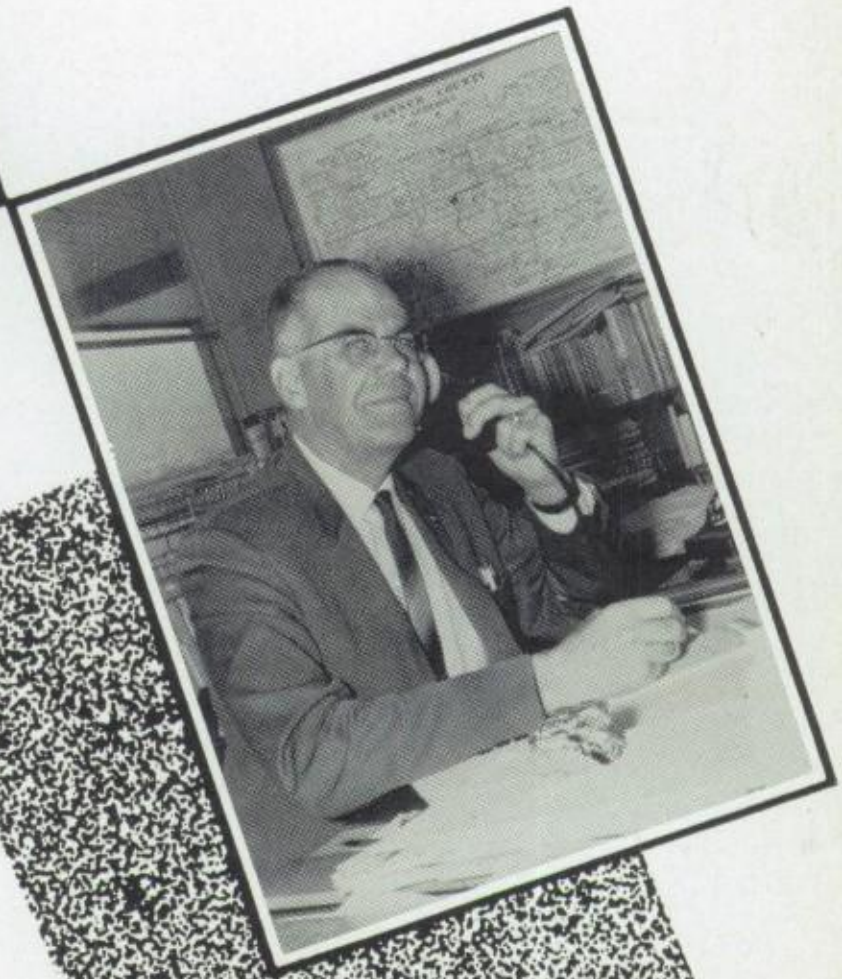
In closing we would like to express our appreciation and give recognition, to the members of the class of 1961 who have given their time to produce this yearbook.

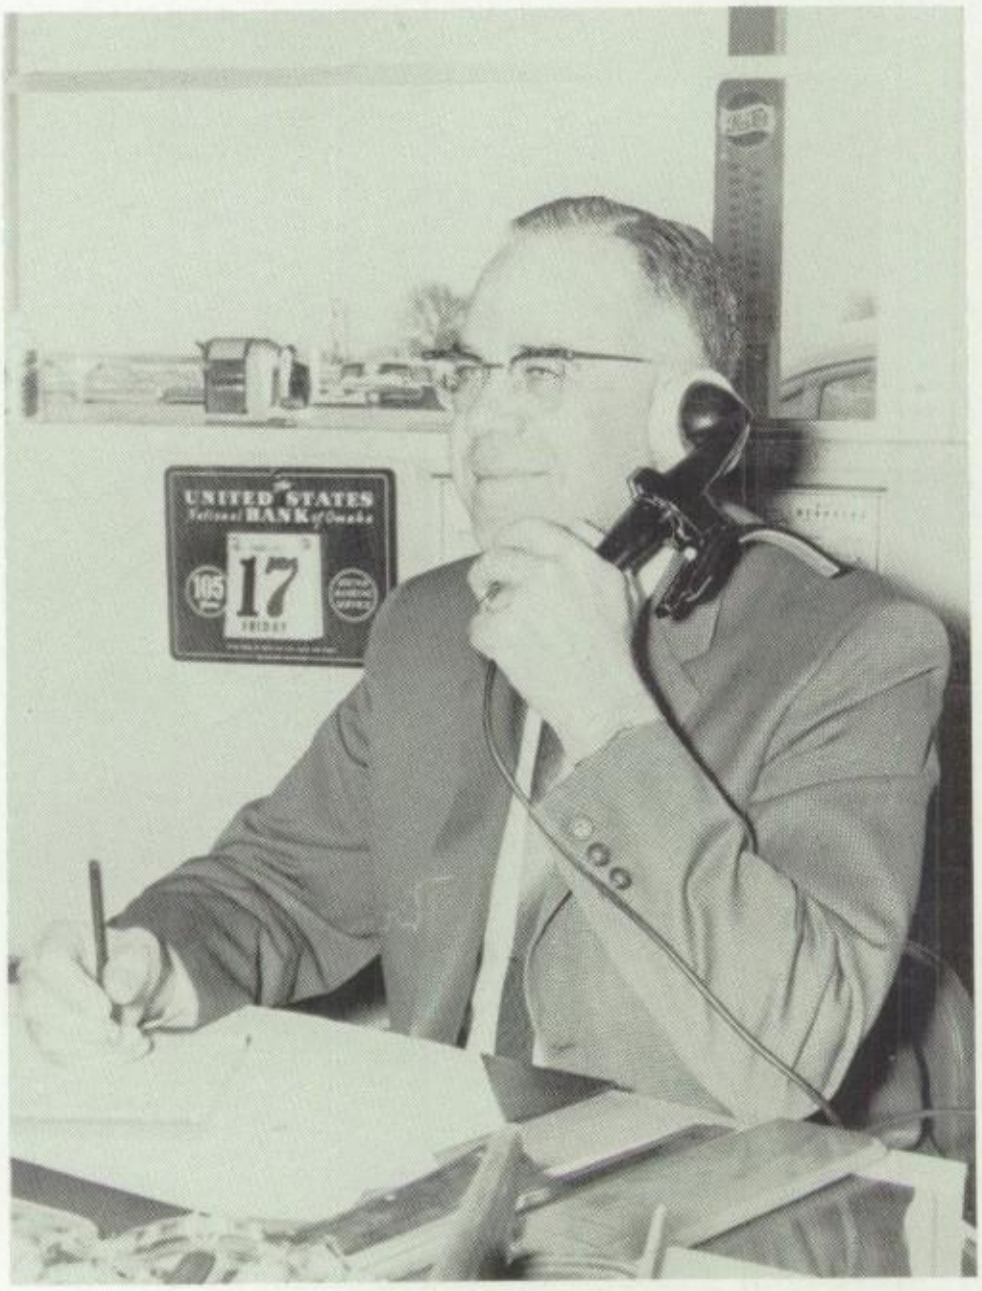
We hope you enjoy "The Wildcat". It was ours for almost a year. Now it belongs to you.

Sincerely,

John Jessup

Lance Burnett





Congratulations to the Senior Class on this fine annual. With its publication comes a realization that time is fleeting! Surely its production has been one of the important and enjoyable activities of your last year in high school.

And now as you go forward to more important and varied endeavors, I wish you every success possible. And of course you pretty well know the basic ingredients for that success. Is it not wonderful that the most necessary factors are free? Responsibility, respect, integrity and high moral and spiritual values can be yours if you want them. These along with a desire and willingness to work will generally measure your success.

Set your goals high and your rewards be correspondingly so.

J. F. Anderson, Supt.

We are very fortunate to have a fine student body, a wonderful faculty, and a beautiful building with which to pursue our very important educational plans. However, we must be very careful not to become satisfied to the point where continual advancement is not the primary aim.

The best of success is extended to the graduates of 1961. May their aims be high and their goals exceeded.

History - Class of 1961

Fifteen freshmen reported to Banner County High School in September of 1957. In the latter part of October we moved into the new building.

As sophomores we lost Sue Hottell and Bonnie Muhr, but we gained Phyllis Britthouer, Bob Anderson, and Edna Webb.

Bob Banes enrolled and Bob Anderson, Kent Malm and Edna Webb left when we were juniors. We presented our class play, "Hillbilly Courtship." During the second semester we published "The Blue Streak." We gave the Junior-Senior Banquet and Prom on May 8. The theme was "Orchids in the Moonlight." John Downer and Winnie Downer left us before the start of our senior year.

Well, we finally made it. Seniors at last. The first semester we published "The Blue Streak" and in April we gave our play "Let Me Out Of Here." We have also worked very hard on this year's edition of the "Wildcat." We were given a lovely Banquet and Prom, "Under the Magnolias," on May 6 by the juniors.

At last the day we have waited for—May 17—graduation. This is a happy and sad time, but we shall never forget the good (and bad) times we have had at BCHS during the past four years.

Odile Carrega

My school year at Banner County has been wonderful. Many things were new to me, but I enjoyed all of them very much. It was fun discovering the many activities the school offers; ball games, concerts, contests etc. I liked following the student body wherever it had to perform. I was only a supporter, but very proud of Harrisburg. I had a lot of friends in the community, and I am grateful to all of those who adopted me in their school, teachers and students.

Class Prophecy

Now as we look forward into the years we see our class reunion 10 years from now in 1971.

The first "Old Grad" that we see is Bill Fox who has a mink ranch located in Northern Nebraska. There is some doubt to the intentions of this 6'11 3/4" man, as the few people who have seen the ranch say all that they see there is rabbits. Bill played professional basketball to get his capital to start his business. Many people think this mink ranch is a front.

Jerry Fox, after investigation by the NCAA, is now declared a professional athlete. He put a record number of colleges under probation, 12. Jerry couldn't get as good a salary being a pro as he did as an amatuer so he is now a cotton picker down South with his family.

Now we see John Jessup, after practicing and paying for his Polaroid for 9 1/2 years he is now taking pictures for the school. John has just been offered a partnership into the Polaroid Land Camera Company because of two reasons: (1) He has taken so many pictures that company feels indebted and (2) his camera is so old that the company museum wants it.

John tells us that Bill Booker is now making a movie in Siberia called "Unusual Warm Spells" with Lana Lotsuvit. Bill has won no Academy Awards but John says that he has fun trying.

We now learn that "Shakie Quaky Nerve Pills" are being manufactured by Phyllis Britthouer, in Hastings, for the public. More potent pills are available to the NBM (Nebraska Black Market) and can be purchased from Bill "The Fence" Fox. Things are starting to add up.

Bob Harvey, Sharon tells us, joined the army and was captured right afterwards by the enemy in the Pentagon (?). She tells us that he married a girl (at least he thought it was a girl) in Moscow while being brainwashed. He is now peeling spuds for Castro's army in Cuba. Sharon got mixed up and came to her reunion a year early.

Now we see Bob Banes and learn that he inherited an oil company and after drilling 18 dry holes decided to set up a golf course. Golfers lose a ball now and then, but that's all right as Bob has a thriving golf ball company called Gulf.

Elizabeth Klopping, after taking 10 years of commercial subjects, in twice as many colleges (she was at Harrisburg U. the last 9 years so you can see that she was rather unsettled that first year,) is now janitor at BCHS.

Odile Carrega is now a first rate teacher and has many degrees to her credit. She and her family have acquired their Citizenship Papers and now are very happy in crisis-torn United States. She teaches Spanish.

Neva Owen is now a bookie at the gigantic Harrisburg Race Ways, a new racetrack of international appeal near Lover's Leap. Her office is in the potato cellar below the Trail Cafe.

Lance Burnett went to college to become an Extension Agent but ended up in the profession of obstretrician. But hark!! We learn that this is but a front. Lance is the leader of the NAOOCTWOPFAE (Nebraska Association of Organized Crime to Wipe Out Profit For Anyone Else).

Larry Stoddard has been deported from the USA, so an informed source tells us. It seems his pigs ran over half of the Midwest eating up everything in sight before an H-bomb stopped them. Larry is now raising sheep in the Himalayas, on Mount Everest. Lance had Larry deported when his hogs over-ran half of Nebraska, where Lance had his stills hidden.

Some of these people should have stayed in school, reform that is. At least our teachers are honest, Hey! Mr. Cookson ! Mr. Childs! Stop picking those pockets! Help!! Police!

Sneak Day

The seniors and the sponsors of the class of 1961 left for sneak day on April 28. They first went to Colorado Springs where they got rooms at the Motel De Ville. They then went to Canon City where they visited the State Penitentiary. From there they went on to see the Royal Gorge. After returning to Colorado Springs, some of the seniors went swimming.

Early Saturday morning the Garden of the Gods and the Air Force Academy were visited and then on to Denver.

After arriving in Denver and registering at the Shirley Savoy Hotel, the Seniors then went sight seeing. In the evening the seniors and sponsors went to the Ice Capades, a movie or Cinerama.

On Sunday morning some of the seniors toured some of the many buildings in Denver. Later they went to the zoo, museum, Stapleton Airport, and then returned home.

The P.H.S. Club observed its 25th anniversary this year. There were 32 members in the club, whose purpose is to further sportsmanship in the school; practice honesty, loyalty, leadership, and cooperation; among the girls as well as between students and faculty.

The P.H.S. Club gave the Football Banquet with the Student Council, and also gave the Sports Banquet to honor all those participating in Athletics during the year. The club also took care of the concessions at the football games, basketball games, and track meets.

Instead of their annual P.H.S. banquet this year, the club gave a reception honoring new members and all alumni of the past 25 years, to observe its 25th anniversary. Many of the past members attended, and made the reception a very nice anniversary remembrance.

"Under The Magnolias"

The Junior-Senior Prom and Banquet, "Under the Magnolias", was held May 6 at the Scottsbluff Country Club. Pastel shades of pink, yellow and green were used in streamers, parasols and table favors; magnolias were overhead and in bloom on a white tree behind the white-iron love seat that served as a throne for the King and Queen, Jerry Fox and Odile Carrega.

O.K. I'll pick you

Although the team had a losing season much experience was gained. Led by Jerry Fox and Dave Greathouse who earned All Tri-County honors with the former earning All Lodgepole Valley honors also, the team compiled a won 3 and lost 5 record, same as last year's. But with the experience gained this season and upcoming material with excellent coaching, we're sure that the record will be improved during the oncoming years. Good luck to a swell bunch of guys.
